

DIEGO'S CABERNET

Veneto (North East)

CABERNET IGT VENETO

Deep garnet red colour with a bouquet of fresh red fruits. The palate is structured, with soft tannins and lingering finish. Serve at 18° C.

VINIFICATION

The wine is made from Cabernet Sauvignon grapes, which are slightly dried by a late harvest. Fermentation and maceration for 20/25 days, with regular pumping over and "delestage" for the extraction of tannins.

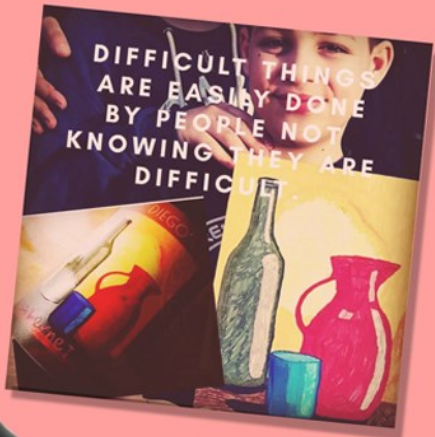

PRODUCTION AREA

Clay structure that tends to calcareous gives to the wine an intense perfume and deep colour.

ALCOHOL = 14% by vol.
