

Domaine Bonnard

The Domaine was founded by Bernard and Pierrette Bonnard in the mid-1900's in the heart of Sancerre, not far from Chavignol, right in the centre of France. Today their two daughters: Claire, who is the winemaker and Martine, who is responsible for the viticulture, run the business. They produce white, rosé and red wines from the Sancerre appellation, and also Pouilly Fumé from vines which come from their grandparents vineyard in the hamlet of Les Loges. 13 hectares are under vine with Sauvignon Blanc and Pinot Noir on prime vineyards sites, some planted on Kimmeridgian marls, and others on limestone pebbles known as caillottes. The Bonnard signature is crisp and elegant, mouthwatering vivacious and zesty wines, and they pair so well with the local Crottin de Chavignol cheese which has its very own AOC!

Bonnard Sancerre

France/Loire Valley/Sancerre
100% Sauvignon Blanc

Aromas are reminiscent of a forest or woodland with citrus notes on the palate that give the wine an overall harmony. A mouth-watering, medium-bodied, Old World Sancerre with green apple, herb, citrus zest and grassy flavors on the palate finishing with a flinty crispness, both lively and long.

Bonnard Pouilly-Fumé

France/Loire Valley/Pouilly-Fumé
100% Sauvignon Blanc

Aromas of green vegetable, cut grass and a slight tropical note of passion fruit. Beautiful acidity, it has a light body but very capable to accompany either seafood or cheeses such as Camembert.

The 2021 vintage was awarded Gold from the Concours des Grands Vins de France Macon
