What is X?

Our Story:

To us, The X represents and is about crossing paths, coming to a juncture and ending up where you want to be.

We are a patchwork of professional brewers, and beer lovers who had too often asked ourselves, If I wasn't doing what I am doing now, what would I be doing?

To us, life is about being where you want to be, not where you have to be.

We are a team that has put our best efforts forward to produce great clean beer, provide an unparalleled brewery experience, and contribute to the greater wellbeing of community.

A reason, a season, or a lifetime. You'll find it at Brewery X.
