LOCALLY MADE IN MEDFIELD, MASSACHUSETTS

Crook Jaw's Cape Cod Amber Rum is an instant classic. It is reminiscent of rums produced in the golden age of sea captains, pirates and ferocious whales. It is truly a spirit that will capture your imagination.

## CAPE COD AMBER RUM

Crook Jaw's Cape Cod Amber Rum is hand crafted from the purest of molasses and brown sugar. It is painstakingly distilled in our artisan copper still until it achieves the utmost purity. We then age the spirit in "once-used" bourbon barrels. Finally we blend the various vintages to create an extremely smooth and drinkable amber spirit.

\*\*It is wonderful for sipping as well as in your favorite craft cocktail\*\*

\* Aged in Bourbon, Rye & New American Oak Barrels \*
