

FAMILIA FALASCO

DESDE 1939

Hermandad Chardonnay

Our Tasting

Visual: It shows a pale yellow colour with greenish reflections.

Olfatory: At the nose is concentrated and intense with citrus, pineapple and green apple aromas, interwoven with vanilla notes from the oak and some mineral characters from the soil.

Gustatory: With a great concentration and elegance, at the palate the first impact is sweet, well balanced by the natural acidity, with ripe white fruits and toast bread, and light notes of vanilla. Its finish is long and persistent.
