

Explore our enticing range of THC Sparkling Cocktails and discover your new favorite flavor combination. Savor the flavors, relish the buzz, and revel in the moment with THC Sparkles.

Jeng is a purveyor of non-alcoholic craft cocktails including hemp-infused and adaptogenic canned mocktails inspired by the classics like the moscow mule, paloma, gin&tonic and margarita. Founded in 2020 by John Enghauser and Nicole Bray in Montauk NY, we set out to solve a problem by creating a complex and delicious non-alc craft cocktail that we could relax with and that we couldn't find in the marketplace.

|  | Paloma                             |  |
