

- MAISON - CHAVET

The Chavet family has been growing vines since the 17th century, in the very heart of the Menetou-Salon appellation and has succeeded in developing a unique expertise. The estate spreads over 23 hectares. The family has invested in modern equipment in order to meet with new demands and standards. Their passion has remained untouched and they are proud to produce a high-quality wine in the respect of nature and tradition.

Maison Chavet Sancerre "Révolution"

100% Sauvignon Blanc. Pale gold in color with a trace of green. The nose is open and fresh with intense mineral notes. The palate is ample and deep with an underlying fresh and vibrant mineral tension. The finish is shpple and mouth-watering.

Perfect as an aperitif, splendid with seafood and shellfish, goat cheese and hard cheeses.

Maison Chavet Pouilly-Fumé "La Butte"

100% Sauvignon Blanc. Pale gold in color with luminous traces of green. The nose is very expressive, with smoky and lemony notes. The palate is vibrant and deep. The liveliness of this intense vintage is due to its vibrant minerality. The finish is unctuous and briny, lingering on deep, mineral notes.

Perfect as an aperitif, superb accompaniment to seafood and shellfish, goat cheese and hard cheeses
