

# Sippewissett CAPE COD GIN

This award winning artisanal spirit is hand crafted from classic gin aromatics including juniper, coriander seeds, orris root, liquorice and citrus peels. It is also enhance with a harvest of botanicals, hand picked and gathered from the windswept shores of Cape Cod. These include fresh cranberries, fragrant lavender, ripe beach plums and flavorful rose hips.

The result is an extraordinarily complex gin with subtle floral and fruity undertones.

Sippewissett Cape Cod Gin makes a wonderful martini or balances nicely in any cocktail.
